

R.i.p. John J Messbauer, May 16, 1920 to December 14, 2011

John
Messbauer

John was a great friend and I will miss him deeply. John started as a lifeguard back in the 40s and always shared his great stories.

God bless you John, we will miss you. Ralph Heineman

"Thanks for informing me about John's passing. He was a long time friend and a gentle and kind man. I'll miss knowing he's around". Ron Colby "Sorry to hear about John, great guy." Tom Murray

"Once a Jones Beach Lifeguard always a Jones Beach Lifeguard - we'll see him on the other side..." Greg Akula

"I appreciate the notice and join in the sense of loss with John's passing. John was my third Lt. when I served as his Boatswain at the Central Mall. Recognizing his wartime service most would expect a more driving personality, but it wasn't John's style to be commanding with the beach operation. In my years with him he was gentle, quiet but steadily aware of what was needed at all times. When rescues were running he was calm and decisive. The beach benefitted by his presence. I certainly did. The contributions of his lifetime are recognized and honored." Al McGill

"I remeber him well..true JBLC treasure" Kevin Tumey
