Welcome Back!

If you worked at West End 2 or Field 1, thenit will be "We're Back"!

As everyone is aware, Tropical Storm Sandy totaled our Parks and beaches. Roadways, boardwalks, lifeguard shacks, the Theatre, the sewer system, the electrical systems, the water, the bathrooms, etc., all were heavily damaged. NYS went to work contracting out most of the work to construction firms, and putting their employees to work 24/7. FEMA money was available, and spent. Sand was pumped from Fire Island Inlet and Captree Basin to Robert Moses and the Babylon beaches. The City of Long Beach, Gilgo and Tobay were also heavily damaged. NYS Governor Andrew Cuomo has allotted $90 million
